MEETING YOUR KNEADS

GBC Factory is a family-owned and home-grown in Dubai by the Sahni family, who have been passionately creating fresh food and cakes for the local community for over 25 years. At our factory we bake all our breads the good old fashioned way – fresh daily, by hand, from scratch – at our state-of-the-art, 7500 square-foot facility in DIP.

We make bread with responsibly sourced ingredients, time to let the good flavors develop and made without fuss. Good bread is only half of the story though; the other half is about being dependable, when we say we'll do something, we do it.

Our breads, pastries and cakes are hand-made every day with patience, skill and the best ingredients. Give us a call if you want to try something or you are after something you can't find. We've produced many creations with our customers & offered profitable solutions. We'd love to hear your challenge.
